Dear Simon:

As the 6 structure project known as Cassidy Ridge comes to completion I want to thank you and the Aplin team for helping RJM Homes deliver this project on time and budget to its owners.

Every time we needed horsepower from Aplin Masonry-you delivered. Aplin Masonry came and went without remobilization charge as masonry was required- you had the projects best interest at heart. Your practical experience in large scale mountain construction paid off tremendously.

Finally, the quality was exceptional.

Thank you for your help in delivering Cassidy Ridge to its owners on time and budget.

Sincerely,
