Simon Aplin  
Aplin Masonry of Telluride, Inc.  
P.O. Box 665  
Telluride, CO 81435

Dear Simon,

Fortenberry Construction is pleased to provide a letter of reference for Aplin Masonry.

As you know, we have used all of the major masonry contractors in Colorado on our projects. Aplin Masonry has distinguished itself from the others as follows:

**Access to senior management** – You are available on demand and able to make decisions on pricing, scope of work changes, and provide invaluable assistance in stone selection and installation.

**Fair pricing** – we have found Aplin Masonry to believe in a win-win pricing and scope of work change orders.

**Excellent staff and field management** – Aplin Masonry foremen have distinguished themselves as knowledgeable and accessible field managers. Your staff and installed product are excellent.

**Teamwork** - Aplin Masonry, under your direction, works well with other subcontractors in scheduling, assistance, and efficiency.

**Pricing and stone knowledge** – Aplin Masonry consistently delivers an excellent product at market rates and provides exceptional stone knowledge.

Simon, your dedication to masonry excellence has allowed Fortenberry Construction to deliver projects on time, on budget and with the quality of work Fortenberry Construction is known for. We are pleased to provide this letter of reference.

Sincerely,

Paul Ricks  
Fortenberry Construction
